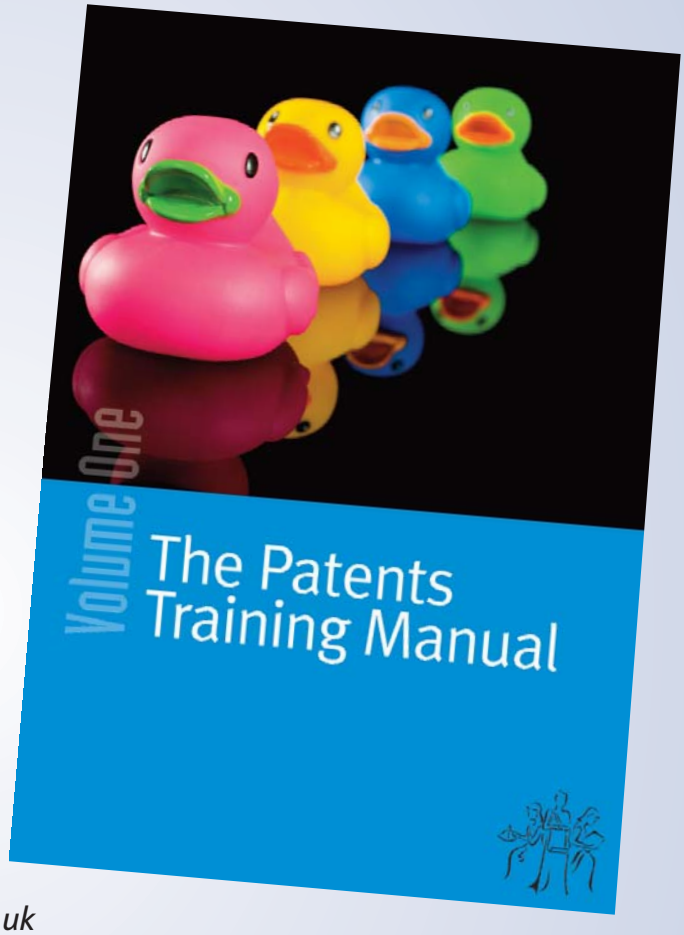
The Patents Training Manual

Volume 1 – £75.00

Ensuring that your trainee patent attorney receives the training that they need can be a valuable but time-consuming task. Base your training programme on the newly-updated *CIPA Patents Training Manual*, and you have a structured framework of study already prepared.

Features include:

- Authoritative chapters written by fellow patent attorneys grounded in their practice experience
- Encouragement to the trainee to play an active role in the their learning and reflect upon their studies as applied in the workplace
- A training log allowing both the trainer and the trainee to chart and monitor progress in both study and work experience
- Suggestions as to further study and links to examination syllabi
- Real-life scenarios to challenge the trainee



To get your copy of Volume 1 (published in 2008), which covers core patenting tasks, complete and return this form. In the future Volume 2 will explore post-grant procedures and Volume 3 will consider international patents.
